

Walton County Public Library System

Fee Schedule

Walton County Public Library System materials can be checked out at no charge with a valid library card. We do not charge overdue fines for non-equipment items returned past their due date. Cardholders will receive an invoice for the full cost of any item that is not returned within 14 days of its due date. Cardholders will also be charged for materials that are lost, damaged, or returned incomplete.

In order to keep a library card in good standing, accounts must have a balance of less than \$25 and no charges for replacement items. If an account has a balance of more than \$25 or a charge for a replacement item, the cardholder will temporarily lose borrowing privileges until the materials are returned and/or the fines/fees are paid.
